

Why Invest In the Haines City EDC?

The Haines City EDC has been successful in attracting new industry and helping existing industry expand and relocate. The Haines City EDC is committed to helping create jobs and capital investment by attracting new companies as well as facilitating the expansion of existing companies in Haines City. Our community commitment and involvement with state, county and city leaders measures how secure and serious we are in our economic prosperity. When we refer to our investors as community partners, that's exactly what we mean.

Our Goals

- Promote Infrastructure Development
- Market Haines City as a Prominent Location for Industry and Business
- Retain and Grow existing businesses and industry

INVESTOR BENEFITS

- **Advocacy** - We are your personal advocate in the legislative branch. Our President served on the Board of Directors of the Florida Economic Development Council. This gives her a direct line to the decision makers in the State of Florida.
- **Governmental Liaison** - We are your personal liaison with the decision makers in the City of Haines City and Polk County.
- **Workforce** – You will have a direct line to the President of Workforce Florida.
- **Lead Generation** – You will gain firsthand knowledge of projects recruitments in Haines City and Polk County.
- **Marketing** – We provide another alternative to market your business with an opportunity to link to your website from our webpage, along with the opportunity to have your logo on our marketing materials.
- **Networking** – You will be provided an opportunity to be a guest at conferences, meetings and events in central Florida relating to economic development in our region.
